

Pinelands Nature Trail at Cape Henlopen State Park closed temporarily for tree maintenance work

LEWES – The Pinelands Nature Trail at Cape Henlopen State Park closed today for arbor maintenance work and will reopen after Division of Parks & Recreation staff have removed a number of trees within the trail for safety purposes.

Most of the trees to be taken from the trail are in a low-lying area near the trailhead adjacent the Seaside Nature Center Parking area. The work is expected to be completed late next week.
